

# TRACKED CARRIERS

# 2200

# R PRO

The 2200 series from Tracked Carriers offers an unrivalled method of transporting heavy goods through confined spaces. Only 950mm wide, the 2200 R and 2200 PRO models are heavyweights in compact packaging.

Tracked Carriers **R** models use state-of-the-art technology whilst being simple to operate, reliable and easy to maintain.

**PRO** models offer increased features such as gradient-monitoring, information feedback and a smart auxiliary output, ideal when increased safety measures are required or powered attachments make the job easier.
